## Young Adults and Prayers...

Dear Covenant Youth of Alaska Team,

Young adults are at a serious crossroads in their lives. They are making major decisions that will impact the rest of their lives. The challenge for young adults is even greater when transitioning from small village culture to large urban culture. Students are in critical need of connection and mentoring, and your help is significant.

At our recent young adult retreat, students from Fairbanks, Palmer, Soldotna, and Anchorage came together to hear God's Word and to gain new insights into dealing with the pressures they face.

Your generosity has helped make these retreats happen and will help many students to stay on track in their relationship with Christ. I hope you enjoy these photos, which reflect the joy and grace Christ provides through the family of God.

Thanks for your help!

This month we ask for special prayer for the village of Elim. The believers there say the young people are in real trouble. We have a strong response: to ask you to remember and pray for them. Elim is a significant distribution point of marijuana for the Norton Sound region. Please pray that God would bring His healing to the brokenness there. This month I will be in Elim to meet with the local church leaders to discuss how CYAK can more specifically assist them in reaching out to the kids.
